

Site visit by H.E. Muhaimin Iskandar, Coordinating Minister for Community Empowerment of the Republic of Indonesia

On July 29, 2026, H.E. Muhaimin Iskandar, Coordinating Minister for Community Empowerment of the Republic of Indonesia, together with 12 representatives of the Indonesian government and three representatives from LPPR, a human resource development organization, visited our company.

Our company employs Specified Skilled Workers from the Republic of Indonesia. During the visit, the delegation exchanged views with them regarding their work and living environment, and also toured our manufacturing facilities.

Minister Muhaimin Iskandar expressed his appreciation to President Mizukoshi for the company's contribution to the acceptance and development of Indonesian human resources and presented a commemorative plaque. He also conveyed his intention to further strengthen cooperation in human resource exchange in the future.
